## Instructions for Authors

Contributors are invited to submit summaries on the conference topics list. Full technical papers are not being requested. The Technical Program Committee will decide whether the summary will be presented at a technical session or as a poster.

---

## Format

Authors are now REQUIRED to use the ANS Template and "Guidelines for TRANSACTIONS Summary Preparation" provided on the ANS Web site at <http://www.ans.org/pubs/transactions>. Submit summaries electronically to the ANS Electronic Paper Submission and Review System at <http://epsr.ans.org/> in Adobe Acrobat (PDF) or Microsoft Word format. Summaries not based on the ANS Template will be REJECTED.

---

## Length

Text – 5 pages maximum, English only

Figures and tables – three figures and/or tables maximum, included in page count.

---

## Content

1. Introduction: State the purpose of the work.
2. Description of the actual work: Must be NEW and SIGNIFICANT.
3. Results: Discuss their significance.
4. Appendices: If any, must be called out in the text. Equations, figures, and tables are listed with letters corresponding to each respective appendix.
5. References: If any, must be closely related published works. Minimize the number of references.
6. Do not present a bibliographical listing

Please submit summaries describing work that is NEW, SIGNIFICANT, and RELEVANT to the nuclear decommissioning and remote systems industries. ANS will publish all accepted summaries in the Topical Meeting Proceedings for the meeting. Papers are presented either orally or via a poster at the meeting,

Presenters are expected to register for the meeting.

---

## Author's Organizational Approval

1. All internal reviews and organizational approvals must be completed prior to submittal of the final extended summary.
2. It is the responsibility of the author to protect proprietary and classified information.

---

## Where to Submit a Summary for Review

Submit summaries via the ANS website (<http://desd.ans.org>) in Microsoft Word or PDF format. Click on the "Electronic Paper Submission and Review" link under Resources and Tools. If you experience problems submitting your abstract via the web, please notify Ellen Leitschuh (Tel: 708-579-8253 or [eleitschuh@ans.org](mailto:eleitschuh@ans.org)).

---

## Final Summary Preparation for Publication in Conference Proceedings

After the Technical Program Committee reviews the submissions, authors of accepted summaries will receive instructions for preparation of final summaries. Summaries will be included on the proceedings CD, which will be distributed at the beginning of the meeting.
