

DESD/RRSD Embedded Topical
October 31 – November 3, 2021
Washington DC

Conference Call – August 13, 2020

Participants

Sue Aggarwal	Leo Lagos
Larry Boing	Leah Parks
Jim Byrne	Mike Serrato
Mark Campagna	Gerry VanNoordennen

This call was to update on Action Items from the call on July 16, 2020. Not much has happened except for laying groundwork for the meeting.

Leo Lagos – Still need to identify a Publication Co-Chair for RRSD

Sue Aggarwal, Mark Campagna, Marty Plys, Young Soo Park – Continue to reach out to International Community

Jim Byrne – Prepare a paper on expectations for committee members to assist folks reaching out to the International Community

Jim Byrne – Obtain attendee list for people attending DESD/RRSD Sessions at the Annual Meeting and the Utility Working Conference and send them Save the Date Flyers.

Leo Lagos Genia McKinley, Jean Pabon, Larry Boing provide D&D contacts for the DOE Sites

Leah Parks – Provide a summary for at least one session on the Nuclear Innovation: Clean Energy Future (Nice Future) initiative.

Jim Byrne – Talk with ANS, Paula Cappelletti on logistical issues for the conference. What are the ANS Need dates, ANS Advertising in Nuclear News and Radwaste Solutions, possible sponsorships for Page Charges and a Reception.

Other ideas

Mark Campagna will contact the Institute of Nuclear Material Management and see if we can get them to participate.

Read about Leah Park's Panel Session at the ANS Summer Meeting in the August Nuclear News.

All – Send me Plenary Speaker ideas.
